Children to come to school at 5:45 and get changed into costumes at school.?? What if they are last on???
Dear Parents and Carers,

The children are very excited to be performing the Spectrum Concert next week. Our new curtains have been purchased through previous concert fundraising are up at the back of the stage, and look great! Thank you for your continued support.

- Please find attached a map of the room that classes will be in whilst waiting to perform. Teachers will be supervising the children in these holding rooms.
- Children need to arrive for evening performances from 5:45. (not before) and go to these rooms.
- **You will need to sign your child in and out of the classrooms.** If your child is going home with another parent please provide written permission beforehand or on the night.
- You child’s teacher will make sure your child has their required costume in this room. Please begin to send in any items that are required, as requested by your child’s class teacher. The costumes will stay at school for the dress rehearsal on Wednesday 9th and the 4 performances. **Children will need to get changed at school.**
- We are expecting the performance to run **approximately** 90 minutes from 6:15 to 7:45
- Please consider walking to school to attend the concert, drop off and pick up or car-pooling with another family to avoid traffic congestion at the front of the school.
- If you are NOT attending the concert you may pick your child up after they perform. See run sheet on back page. Please do not leave the concert early to pick up your child. It disrupts the classes that are performing and the audience members watching.
- The Thursday night performance will be professionally recorded and the DVD will be available for purchase. **Please do not record videos during the performance.** The video recording will only be available to school students and will **NOT** be placed on the internet for public viewing.

If you do not wish your child to be filmed, please fill in the following slip and return it to your child’s class teacher. The class teacher will attempt to place your child towards the back of the performance. Please see your child’s teacher if clarification is required.

I **do not** wish for my child ________________________________________ Class _____ to appear at the front of the stage for the concert performances that are being recorded for the school DVD.
